ENFIELD PUBLIC LIBRARY  
1968

Circulation: Approximately 10,000 books, 500 periodicals and 35 records. Over 50 books borrowed from the State Library, Dartmouth College and Howe Library at Hanover on special requests from our borrowers. There has been less leisure reading but more use of reference material by students.

Books added: Approximately 525 by purchase (200 adult, 200 juvenile, 125 for our junior high school collection. Some 50 volumes were received as gifts - the two larger contributors being Phillips Salman and Mrs. Arlene Sanders. As qualified members of the State library system we received \$100.00 worth of new reference books and 10 new large print books for readers with sight difficulties.

Some 1800 books were borrowed from the State Bookmobile and as usual we owe special thanks to Mrs. Germaine Schmanska and Mrs. Marjorie Carr for help in this area.

C.B.S. and R.C.A. made our library a gift of over 50 fine records which will serve as a basic collection available to library borrowers and much interest has already been shown in this collection. We are most grateful to Mr. Paul Rondinoni for his generous gift of a record player so that these records may be used in the library for various purposes.

The Library has purchased a very fine new movie projector - half of its cost being paid for this year and the remainder in 1969. A screen to use with this projector has been very generously donated by Mrs. Mary Allen.

Books on bottle collecting have been added this year and one published in N.H. and describing bottles

found in this area was the gift of Mr. Robert Koson.

We owe special thanks to Mrs. Jacqueline McGarvey for her time and help in promoting an art class on Saturday mornings during the summer and to John Dunn for help with the movie programs. It is planned to show movies the last Saturday morning of each month during 1969.

The Trustees prepared and sent in to the State Library the new Enfield Library policy and were pleased to have the State reply that it was "among the better ones sent in."

The Trustees and Librarian very much regretted the loss of Mrs. Agnes Sloane's services as Assistant Librarian in June 1968 but feel that they were very fortunate to be able to replace her with Mrs. Mary Allen.

Changes in hours for the Library in 1969:

Monday, Tuesday and Thursday open from 2:00 to 8:00 P.M.  
Saturday open from 10:00 to 12:00 in the morning and from 1:00 to 5:00 in the afternoon.

## REPORT OF THE ENFIELD RECREATION COMMISSION

The Enfield Recreation Commission is glad to report another successful year. We also wish to acknowledge with many thanks the contribution of much needed athletic equipment by Dartmouth College. This has helped our program tremendously, and of course, has saved the Town much needed dollars.

In the spring for several months we sponsored a program on Saturdays for the elementary children and one evening a week for the teenagers. This was under the direction of Bob Richards, a teacher at the Mascoma Regional School. In June, the teenagers had a dance with a small band which was enjoyed by all.

Our summer program was again conducted by Dick and Joanne Moulton. Attendance averaged about 75 children a day. Unfortunately we were unable to sponsor a swimming program but hope to do so the summer of 1969. Under the Youth Opportunity Program of the Federal Government we obtained the services of two high school students. Several field trips were held, one of them being a climb of Mt. Cardigan.

We encountered a great deal of difficulty at the beach area. Many of our picnic tables were broken and some damaged beyond repair by vandalism. We were also unable to hire a caretaker for the full summer season. There was also misuse of the bathhouse on the beach. The Commission is going to give a great deal of thought to these problems this spring and try to find a solution beneficial to the people of Enfield. A fall recreation program was not held because we were unable to find a responsible person to conduct the program. We hope to have some winter activities for the children in 1969 besides an improved spring and summer program.

The entire Commission wishes to thank the Towns-  
people for their continued support.

## REPORT OF THE ENFIELD PLANNING BOARD

The Enfield Planning Board has met regularly at the Selectmen's Office on the third Tuesday of the month at 7:00 P.M.

We have tried to be aware of the problems and advances which are occurring within this community. Discussion has been held on the economic conditions of the Town, sanitary landfill in view of the law restricting open dump burning by 1971, sewerage conditions, mobile home population, ambulance service and other current items. In August, the Board completed an inventory of Natural, Scenic, and Historic areas for the Grafton County Conservation District.

The Selectmen have advised us that the building ordinance passed last March is working beautifully.

It is felt that regional planning and development may be the answer to our problems. Area problems would be more efficient and much more economical. We would benefit from federal and state government programs to a greater extent if we are involved in a regional approach. Some of the problems which could be solved regionally are for example: sewerage disposal, police service, ambulance service scheduling, transportation, water pollution, recreation programming, health service, educational programs, and housing. We would receive more matching funds for planning and development than the present situation of development singly.

We feel that this past year has been a transitional period, but we hope the Town can plan for many benefits in the future.

Respectfully submitted,

Germaine Schmanska, Chm.
